

FAASTeam presents:

Virtual National Aviation Safety Stand Down (Flight Training of Mobile)

A safety stand down is an event at which pilots gather to learn new information, refresh already learned information, and to engage in discussion with safety experts and fellow pilots.

This live webinar format event is presented by the Advocates for Aviation Safety Foundation, Inc. and features three main live presentations from experts in their fields.

SegmentPresenterThe Culture of Airmanship
2.0David KochPerformance, Limitations and Loss
of ControlDavid St. GeorgeMedicine and
Psychology in Aeronautical Decision
MakingGene Benson
Quay Snyder, MD

Please note that attendance at this event will be valid for all three WINGS Knowledge credits at the basic level. Certified Flight Instructors Michael Wallace and Brandon Butts will be here to facilitate discussion and answer any questions that you may have. A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
